WISDOM

OPENING PRAYER:

(Anyone in the family is welcome to pray.)

FAMILY CHECK-IN:

Take turns sharing the best part of your day and the worst part of your day.

QUESTION:

Who's the wisest person you know, and why do you consider them to be wise?

BIBLE VERSE:

"If any of you needs wisdom, you should ask God for it. He will give it to you. God gives freely to everyone and doesn't find fault." James 1:5

FAMILY CONVERSATION:

Many times when we hear the words "wisdom" or "wise" we instantly think about an old person with gray hair, or maybe a guy with a cane who seems to know everything. The truth is that you can never be too young or too old to seek and provide wisdom. Wisdom is defined as the quality of having experience, knowledge, and good judgment.

AS A FAMILY, DISCUSS AND ANSWER THE FOLLOWING QUESTIONS:

- Why do you think that God wants you to have wisdom?
- What is the difference between knowledge and wisdom? (Keep in mind: Knowledge is knowing information, and wisdom is knowing how to use information in the best way.)
- Do you ever find it hard to trust God's way rather than your way?
- Why is it important for you to always seek wisdom no matter your age?
- What are some practical ways to seek wisdom on a daily basis?

THREE WAYS TO LIVE A LIFE OF WISDOM:

1. Rely on God: It's always best to rely on God when you are trying to figure out what's best for you or a situation. Even when the decision that you want to make is different from what the Bible says, it's important to remember that God's way is best.
2. Think before you act: You make way better decisions when you take the time to think about what you are about to do and what the outcome may be.
3. Learn from your mistakes: The truth is that we all are going to make mistakes because we're human! The secret to gaining wisdom is to learn from your mistakes so that you don't continue to make the same mistakes over and over again.

FAMILY PRAYER

(Anyone in the family is welcome to pray.) Thank God for the gift of family. Ask God to remind your family to bring your tough choices to Him, and trust Him to give you the wisdom you need to make the right choices.
